Dear Community First Foundation,

Thank you so much for your donation of $1,000.00 to Crossroads Safehouse. We deeply appreciate your support of our community's victims of domestic violence. It is critical to our ability to provide crisis intervention, safety planning, safe shelter, advocacy and support, legal advocacy, legal representation, and rapid and transitional housing.

Last year, Crossroads advocates answered 1,765 crisis calls and we provided 9,800 nights of emergency shelter. We served 3,557 victims and their children across all programs to help families on their journey to live a life free of abuse. We are continually considering new ways to support victims, and, thanks to your generosity, we are not only able to serve in more meaningful ways, we are also able to do our part to prevent intimate partner abuse.

Thank you for your support!

Sincerely,

Platinum Transparency 2023 Candid.
